

Continuous Improvement matters.

We have signed up to the Continuous Improvement Charter to:

Design CI into the organisation's strategic objectives

Cascade CI goals with individual accountability

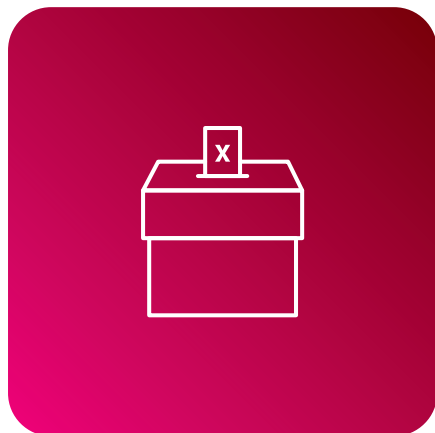

Give staff the support they need to practice CI

Seek out and learn from best practice, success and failure

Co-design and co-produce improvements

Give stakeholders a voice in shaping improvements where relevant

Ensure everyone has time to consider CI

Work collaboratively and inclusively

Embed CI in the employee lifecycle

Develop a mutual understanding of CI top down and bottom up

Ensure insight to inform CI is available
