

### Site visits.

What better way to learn than by seeing best practice in action. No theory, no text books, just what works and why, direct from organisations that have achieved success.

During 2013 we offered members site visits to a wide variety of organisations and we kick off 2014 with a series of visits organised as part of Continuous Improvement week.

Paying member have had first refusal to attend and we are now offering the final places to guest members on a first come first served basis.

11 February - Montupet, Belfast. 1000-1500. Organised by Onsite Insite.  
11 February - Companies House, Cardiff. 1000-1300.  
11 February - VOSA, Swansea – Time TBA  
12 February - Mitsubishi, Livingston, Scotland. 0930-1500. Organised by Onsite. Insite. Exploring the implantation of continuous improvement.  
12 February - Intellectual Property Office, Newport. 1000-1200.  
13 February - Royal Mint, Pontyclun, 1015 -1230.

- **Visits arranged by Onsite Insite;** we had 3 free places on each visit which have been taken by paying members. We have however managed to negotiate a heavily discounted price for the remaining places of £175 plus VAT (normal price is £245 plus VAT). The events are to manufacturers but public sector employees who have attended in the past have found them hugely valuable.
- **Visits to VOSA, IPO, Companies House, Royal Mint;** visits are free.

To book contact [info@icips.org](mailto:info@icips.org)

Unfortunately during 2013 we experienced quite a high level of last minute cancellations for site visits causing disruption for hosts and insufficient time for those on wait lists to join. We are therefore trialling an approach whereby individuals who cancel without genuine reason or back-filling their place, will only be offered places at future events if there is spare capacity. Could you please bear this in mind when booking.
